

Epsilon Foundation Conducts Paediatric and Skin Health Camp in Jharsuguda - Benefits 116 Patients

Jharsuguda, 6th March 2026: Epsilon Foundation, the CSR arm of Epsilon Carbon Pvt. Ltd., organised a Special Health Camp focused on paediatric check-up and skin disease at the Community Centre, Sripura, Jharsuguda. The initiative was undertaken to address the need for specialised healthcare services in the region.

The camp was inaugurated by Sarpanch Mrs. Jasabanti Pande and District Public Health Officer Dr. Biritia. The programme was also attended by Mr. Deepak Mohanty, District Programme Manager (DPM), along with officials from the District Health Department, Jharsuguda, and the PHC Arogya Ayushman Mandir, Sripura.

A total of 116 patients, including children and individuals requiring dermatological consultation, were registered during the camp. All beneficiaries received free medical consultation, diagnosis, treatment, and essential medicines.

Specialised medical services were provided by Dr. Madan Mohan Tripathi, Paediatrician from District Hospital, Sambalpur, and Dr. Manas Ranjan Das, Skin Specialist. The camp addressed a critical gap in the availability of paediatric care in the nearby areas and ensured timely medical attention for residents.

Appreciating the initiative, **Sarpanch Mrs. Jasabanti Pande** said: *“Such medical services are a real need for our villagers as no paediatric and skin disease facility is available in the nearby area. I sincerely appreciate Epsilon Foundation for taking this important initiative.”*

Commenting on the programme, **Mr. Vikram Handa, Managing Director, Epsilon Carbon Pvt. Ltd.**, said: *“Access to quality healthcare remains a fundamental need for the community around us. Through Epsilon Foundation, we are committed to supporting structured interventions that address healthcare gaps in the region. This health camp in Jharsuguda shows our continued focus on community well-being and our responsibility as a long-term partner in the region’s development.”*

Epsilon Foundation continues to implement focused CSR initiatives across healthcare, education, and community development in Jharsuguda and other areas of operation, aligned with Epsilon Carbon’s long-term commitment to inclusive and sustainable growth.
